Collection of personal data

As required by regulations pertaining to containing the COVID-19 virus

Dear guests,

in accordance with legislation mandated by the Federal State of North Rhine-Westphalia (CoronaSchVO NRW), we are officially required to collect each guest's personal information, including their exact seating information, as well as their consent to do so. This is necessary in order to be able to interrupt a possible chain of infection as expediently as possible, if a suspected case is discovered.

We kindly request this form to be filled-in and submitted at each entry point when arriving for a performance.
This data will solely be used by the department of public health for contact tracing, when and if required. They will be kept for four weeks. In accordance to data protection policy, the forms will thereafter be destroyed.

We thank you in advance for your co-operation.
